

SERVICES & VALUE

About Us

CodePure is more than just a company; it's a team of dedicated IT experts driven by a singular goal: getting it right and doing it right. With a commitment to excellence, we've quickly grown into a formidable team of five professionals. Our range of services extends beyond WordPress solutions to encompass a holistic IT support system. We offer Cybersecurity Knowledge and Protocol Implementation, 24/7 Technical Support, ISO Compliance, Data Security, System Administration, Microsoft Office 365, and CRM Management. We are your trusted partner in safeguarding your digital assets and ensuring seamless operations.

In addition to IT support, we specialize in crafting Custom Web Apps & Software solutions. Our expertise covers Full Stack Development, Custom Web Applications, Integrations, Bespoke Software Solutions, Bots, and Artificial Intelligence. We harness the power of technology to streamline your processes and enhance your business performance.

Furthermore, CodePure is your go-to destination for branding and online presence enhancement. Our services include Website Design, Graphic Design, Search Engine Optimization, Industry Research with Analytics, Social Media Setup and Management, and Google Services Setup. We're here to help you create a compelling digital identity that captivates your audience.

Lastly, we offer complete hosting and hardware solutions. Whether it's Website Domains, Website and Email Hosting, Server Management, or Technical Support, we have you covered. Our Hardware and Procurement services encompass Organizational and Personal Hardware Procurement, Installation and Setup of Hardware, PC Builds, Server Configuration and Setup, and On-Demand IT Support.

At CodePure, we are not just IT professionals; we are your dedicated technology partners, ready to transform challenges into opportunities. Join us on a journey of innovation, reliability, and excellence. Our aim is to provide a ONE-STOP shop for your Tech needs.

Our hardware procurement services ensure your organization and personal setups are fully optimized, from sourcing to installation, with ongoing technical support.

PARTNER WITH US

Are you seeking a strategic business partnership or investment opportunity in the dynamic world of technology and IT solutions? Look no further than CodePure, where innovation converges with expertise. Founded in 2017 by IT professionals Nico Nicolaisen and Ruhan Kleynhans, CodePure has evolved into a formidable force in the tech industry. Our journey, which began in the vibrant city of Bloemfontein, has expanded to reach global markets, with strong roots in both Cape Town and Bloemfontein.

Why Partner With CodePure

Innovation and Expertise

We excel at turning innovative ideas into reality. Our team comprises IT experts driven by a singular goal: getting it right and doing it right. Whether you're looking to develop cutting-edge software, enhance your online presence, or secure your digital assets, we have the innovation and expertise to make it happen.

Diverse Range of Services

CodePure provides a wide range of services to enhance your digital presence. We offer advanced WordPress solutions, reliable IT support, custom software development, branding services, and comprehensive hosting and hardware solutions. Whether you need a powerful website, IT infrastructure support, tailored software, a captivating digital identity, or hosting services, CodePure has you covered.

Proven Track Record

Our commitment to excellence has allowed us to build a strong track record of success. We've partnered with businesses of all sizes, from startups to established enterprises, to help them achieve their technology goals.

Technology Ventures

If you have an innovative technology solution or concept that requires development, we have the technical expertise to bring it to life. Partner with us to turn your vision into a reality.

Business Expansion

Are you looking to expand your technology-related business operations or services? CodePure can be your strategic partner in reaching new markets and scaling your business.

Investment

CodePure is open to investment opportunities that align with our vision and values. If you're interested in investing in a dynamic tech company with a track record of success, we'd love to discuss the possibilities.

“We believe that collaboration is the key to success in the tech industry. Whether you're a startup looking for technical expertise, an established business seeking to expand your tech capabilities, or an investor looking for opportunities, we invite you to explore the possibilities with us.”
